MILLENNIUM POINT TRUST

SciSPORT

Showcase

Demonstrating STEM in action

FREE
EVENT

To celebrate the Commonwealth Games, Millennium Point Trust are proud to invite upper Primary and lower Secondary schools to the SciSPORT Showcase.

Come and take part in exciting interactive workshops, meet exhibitors and speakers within science and sport industries as well as Universities and youth organisations.

AT:
Millennium Point,
Curzon Street,
Birmingham B4 7XG

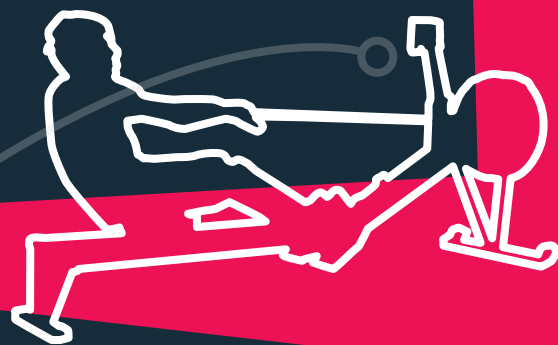

ON:
7th July 2022
9.30am - 2.30pm

Students will be able to:

- Take on an interactive rowing race
- Measure their football kick speed
- Test their reaction speed on the Batak machines
- Explore the F1 dome experience
- Meet athletes from a range of sports, such as BMX champion Kelvin Batey and swimmer Joanne Jackson

Visit exhibitor stands from:

- Loughborough University Sports Technology Institute - they work with Adidas to use technology to improve footballs for sporting events
- Rolls Royce
- Tablet Academy
- Tech She Can
- You West Midlands
- Rezzil
- And many more!
