Privacy Policy

Introduction

By Design Group and associated companies are fully committed to safeguarding the privacy of our website visitors; in line with UK Data Protection Act 2018. We will therefore follow procedures that aim to ensure that all employees who have access to any personal data held by or on behalf of the company, are fully aware of and abide by their duties and responsibilities under the legislation.

Data Collection

We collect personally identifiable information that is voluntarily provided by visitors to this Site (User Data). The User Data that Learn by Design receives from Site visitors includes name, title, address, email address, screen name, telephone and fax numbers, and any other information provided by visitors in email messages or attachments thereto.

Typically, User Data is collected in order to assist visitors to:

- Register for certain areas of the Site.
- Distribute requested reference materials.
- Submit resumes or work history information.
- Submit graduate application form.
- Contact us for further information.
- Enter quick surveys, quizzes, or benchmarking surveys.
- Register for events, courses, and conferences.

It is Learn by Design's policy to limit the information collected to only the minimum information required to complete a Site visitor's request.

Use of User Data

User Data obtained by the Site is used for internal business purposes of Learn by Design and in connection with a visitor's request. This data is not shared with others for unrelated purposes unless stated in this Privacy Policy or otherwise communicated to the Site visitor.

Learn by Design makes every practical effort to avoid excessive or irrelevant collection of data. If a visitor believes the Site has collected excessive information, we encourage the visitor to contact us at learn@bydesign-group.co.uk to raise any concerns.

Except for instances where visitors explicitly choose to receive specific Learn by Design marketing or other informational materials, Learn by Design will not use personal data collected from our Website to distribute marketing or informational materials.

Third Parties

It is Learn by Design's policy only to disclose User Data to third parties under the following circumstances:

- When explicitly requested by the visitor
- When required to deliver publications or reference materials requested by the visitor
- When required to facilitate conferences or events hosted by a third party
- When required to meet any other request of a visitor.

What are your rights?

If at any point you believe the information we process on you is incorrect you can request to see this information and even have it corrected or deleted. If you wish to raise a complaint on how we have handled your personal data, you can contact our Data Protection Officer who will investigate the matter. Data Protection officer is Geoff Parsons, geoffparsons@bydesign-group.co.uk

If you are not satisfied with our response or believe we are processing your personal data not in accordance with the law you can complain to the Information Commissioner's Office (ICO). Unless otherwise agreed with you, we will only collect basic personal data about you, which does not include any 'sensitive personal data'. This information does, however, include the likes of your name, work address, email address and job title.

Use of Cookies

- A cookie is a tiny element of data that a website can send to a visitor's computer's browser so that this computer will be recognised by the site on their return. Cookies allow our web server to recognise a computer on connection to the Site, which in turn allows the server to make downloading of pages faster than on first viewing. In addition, cookies may also be used by us to establish statistics about the use of the Site by Internet users by gathering and analysing data such as: most visited pages, time spent by users on each page, site performance, etc. By collecting and using such data, we hope to improve the quality of the Site.
- The data collected by our servers and/or through cookies that may be placed on your computer will not be kept for longer than is necessary to fulfil the purposes mentioned above. In any event, such information may not be kept for longer than one year.
- Navigation data about site viewers is automatically collected by our servers. If you do not wish to have this navigation data collected, we recommend that you do not use the Site. A visitor can also set their browser to block the recording of cookies on their hard drive to minimise the amount of data that may be collected about your navigating on the Site. The browser on a computer can be set to notify the user when a cookie is being recorded on their computer's hard drive. Most browsers can also be set to keep cookies from being recorded on their computer. However, for optimal use of the Site, we recommend that visitors do not block the recording of cookies on their computer.
- All Learn by Design's servers and computer systems are protected from outside intrusions. As a result, all data that may be collected about Site viewers through the use of cookies will be protected from unauthorised access.
- Cookies used on the Site are only active for the duration of the visit. Cookies used on this site are not stored on visitor's computer once you have closed your web browser. Information generated by the use of cookies may be compiled into an aggregate form so that no individual can be identified.
- We may at some stage use cookies to identify users when they visit the Site to use personalised services. In such circumstances these cookies may be kept on the hard drive of their computer following closure of the web browser. Cookies used in connection with such services enable us to build up a profile of our users and to develop personalised versions of the Site.
- For more information about cookies, please see the Information Commissioner's website home page or the Interactive Advertising Bureau.
- A visitor may choose to not receive a cookie file by enabling your web browser to refuse cookies. The procedure for refusal of cookies may vary for different software products. Please check with your internet browser software help or your software supplier if you wish to refuse cookies.

Third-party Links

- There are several places throughout this Site that may link to other Websites that do not operate under By Design Group privacy practices. When visitors link to other Websites, BDG privacy practices no longer apply. We encourage visitors to review each site's privacy policy before disclosing any personally identifiable information.

Choices

- As a policy, visitors are not required to register to gain access to this Site. Personally, identifiable information provided to Learn by Design through this Site is provided voluntarily by visitors. Should visitors subsequently choose to unsubscribe from mailing lists or any registrations, we will provide instructions on the appropriate Website area or in communications to our visitors; or a visitor may contact Learn by Design at learn@bydesign-group.co.uk.

Access

- Each visitor has the right of access to personal data they have submitted through this Site.
- User updates of information should be handled by going back through the registration process. Enquiries about the accuracy of identifying information previously submitted, or requests to have information removed, should be directed to learn@bydesign-group.co.uk.

Security

- All Learn by Design employees are instructed to follow a group-wide security policy. Only authorised personnel are provided access to personally identifiable information and these employees are required to agree to ensure confidentiality of this information.

Modifications

- Learn by Design reserves the right to modify or amend this statement at any time. The effective date will be displayed at the beginning of this statement. To keep visitors informed, Learn by Design will notify users of material changes to our Privacy Statement by prominently identifying a link on our website home page to the updated Privacy Policy for a period of not less than two weeks.

Consent

- By continuing to use the Site and by providing any personal data (including sensitive personal data) to us via the Site or email addresses provided on the Site, visitors are consenting to our use of your personal data as set out in this Privacy Policy. Please do not send us any personal data if you do not want that information to be used by us in this manner.

Copyright

- All documents, programmes, publications, designs, products, processes, software, technology, information, and ideas (Content) provided by or described in this Site are the property of Learn by Design and/or its affiliates or suppliers and are protected by U.K. and international copyright laws and other intellectual property laws, unless stated otherwise. The Content is provided to users of this Site for informational purposes only. Except as expressly permitted below or by applicable law, users may not copy (except to the extent required in order to use the site in accordance with the Legal Notice), store in any medium (including in any other website), distribute, transmit, re-transmit, broadcast, modify, or otherwise make available or communicate to the public any part of the Site or systematically extract material from the Site or any document available through it or in any other way exploit commercially all or any part of the Site or any document available through it without our prior written permission.
- Users may print or save one copy of any page of the Site and documents available through it (other than documents provided by third parties) for their own personal use.
