

**Build your confidence,  
gain skills and  
find your next step**  
on your career  
path with the...

**Are you:**

- Aged between 16-24 and live in Leicester or Leicestershire?
- Leaving education, thinking about leaving education, or not in education, training or work?
- Looking for support to find a new job or ways into further education or training?
- Wanting personalised support, that fits your skills and interests?

This twice weekly course will take you on a journey of self-discovery, develop your employability skills and provide you with a clear direction and action plan of how to achieve your next career steps.

You will meet regularly with local and national employers, understand the skills gaps in the local job markets and the opportunities available to you.

Our course is split between **three modules:**

**DISCOVERY** - We get to know you, understand your strengths and interests. With motivational training and guest speakers, we aim to inspire and build you a plan for your future progression.

**skills**

**SKILLS BUILDER** - Your tailored plan will build and enhance your skillset. You will also be enrolled to gain a short-course qualification in an area that will enhance your individual skills, interests and employability (literacy, numeracy or digital).

**TAKE ACTION** - We continue to develop your skills and provide motivational training with a clear focus on the importance of good mental health and wellbeing. We will provide you with support towards your next career steps through employer engagement and identify progression routes that suit you.

This course will run twice in 2022, commencing in **March** and **September** for **14 weeks**
