

Millennium Point Trust is proud to invite upper primary (years 5 & 6) and lower secondary (years 7 & 8) school students to the...

# MILLENNIUM POINT TRUST

# SciMED

## Showcase

This brand new event builds on the success of last year's SciSPORT event, which saw 1000 visitors from school children through to company representatives, educators and exhibitors.

Inspire your students with all things 'medical' – from the traditional traditional roles such as doctor, vet and dentist, through to wider STEM related sectors such as physiology, health, wellbeing, pharmaceuticals and so much more.

Students will be able to explore:

- Molecules to Medicine
- Sports and Fitness
- Landscape of the brain
- ThinkTank science museum

Visit exhibitor stands from:

- Vets
- Pharmacists
- First Aid
- Aston Villa
- Dentistry
- Universities
- Tech related industries

Workshops and stands subject to change
